# LET US INTRODUCE OURSELVES...

We believe that church isn't just something you go to, it's something that you are part of. Our desire is not just to find a worship pastor who attends church with us, but who serves alongside us and worships with us as a Body in uniform obedience to our Head, Christ Jesus (Eph. 2:21-22).

We are one of the oldest evangelical churches in the area and look forward to future generations of stable ministry advancing God's Kingdom. Our worship ministry has been long respected for its musical excellence and heartfelt focus on praising God. This is line with our most important distinction: the teaching of God's Word to make disciples (Mt. 28:18-20).

As much as we look forward to getting to know you, we want to give you a

chance to get to know us. We hope that this introduction serves as a helpful tool for you and your wife to prayerfully decide where God calls you to grow and serve in His Church.

We look forward to finding our next worship pastor who will lead us in worship in Spirit and Truth (Jn. 4:23). Even if we do not know you by name yet, know that we are praying for you.

## CHURCH HISTORY

Graham Emmanuel Baptist Church was founded forty years ago, beginning as a Bible study in 1981. During that time, it experienced remarkable stability and growth that has resulted in multiple building projects, making it one of the leading congregations in the area. Now, with an eye to the future, it offers the next worship pastor the perfect blend of a strong foundation and a blank slate.

## OUR MAKE-UP

We like to think of ourselves as Bible-based, Christ-centered, and family-focused. Our congregation consists of millennial families as well as Gen X'ers and Baby Boomers. We like lively music, Bible-based lyrics, expository sermons, and family ministries that disciple kids, teens, and adults to each follow Christ in submission to His Word in the stage of life they are in. We also love coffee. Lots of it.

# *More About Our* **CONGREGATION**

Our church family consists of approximately 150 households, representing 300-400 people attending Sunday services on a weekly basis.

Much of our congregation is made up of millennial parents raising their young children in the Lord. As a "bedroom community," Graham attracts young professionals who commute to larger cities in the area. Located near the Lewis-McCord Joint Base, military families represent a key portion of our congregation. All this gives GEBC an eclectic mix of blue collar and white collar, civilian and military, retired and working class,

yet all united under the Gospel of Jesus Christ. We pride ourselves in being a friendly congregation, and the lively sound of fellowship between services is a staple of our Sundays. We also pride ourselves in the emphasis we place on our children's programs, which routinely are a hit with newcomers' kids. Not to mention, our mid-week Awana program and annual VBS, which are widely popular, as is our youth ministry.

We rejoice that God has brought various people together. We can't wait for our next worship pastor and his family to join our Body.

## WORSHIP OVERVIEW

Musical worship has been a prioritized part of our ministry for over three decades. Approximately thirty minutes is given during Sunday Service for musical worship intertwined with offering, prayer, Scripture reading, and announcements.

## PROGRAM

Our Sunday worship program currently consists of a rotating band of singers and musicians on the guitar, electric guitar, electric bass, and drums. These teams rehearse on a weekly basis. A live stream and A/V team also rotate weekly to broadcast our service online and set up the mics and speakers. The worship also ministry receives a substantial budget every year to upgrade

instruments and equipment, and the church encourages them to attend regional and national worship conferences.

## EVENTS

Special worship events take place throughout the year, including a Good Friday service, Christmas Candlelight Service, and Outdoor Service, among others. In the past, adult choirs and children's Christmas choirs have also taken place.

## MUSICAL STYLE

Our church enjoys a balance of contemporary praise songs and traditional hymns. Our worship is known for its skilled instrumentation and beautiful arrangements.
